

**Mr. Eugene Seah**  
**Chief Operating Officer**  
**Baku International Sea Trade Port**

Eugene Seah, Chief Operating Officer of the Baku International Sea Trade Port, has 25 years of Port experience.

Mr. Seah worked in two premier ports in Singapore, PSA Container Terminals and Jurong Port. In PSA, he has managed terminals in Singapore, Middle East and China. He was involved in the planning of new port terminals in Pasir Panjang and Jurong Port.

Before joining Port of Baku, he held appointments at senior management level in both Operations and Commercial in Jurong Port. In Jurong Port, he was the Vice –President, covering all aspects of commercial and operations in the general cargo, bulk and container terminals. In his professional career, he has been involved in projects at the national level contributing to the safety standards and raising of productivity levels of certain sectors in the port and logistic industry.

Moreover, he is involved with the associations relating with the maritime sector in port terminal operations, productivity, safety and other issues
